## How to Check Your KYC Status?

To check your KYC status, follow these steps:

- Visit **cvlkra.com**.
- Click on **KYC inquiry**. 2.
- 3. Enter **PAN**, type in the **CAPTCHA**, and click **Submit** to fetch the status.

To identify the KYC Registration Agency (KRA) with which your KYC is registered, check the KRA and KYC Status columns.

## **On Hold / Rejected**

These statuses show up if the updation was not conducted with the correct information and/or documents by the previous financial intermediary. The required documents will be sent to the KRA agency to get the KYC status rectified. If additional documents are required, an email with the details about the documents required will be sent. It may take a few days for the KYC status to be updated. The following is how an **On Hold / Rejected** KYC status will appear on the CVL KRA website:

If your KRA Status is **On Hold**, it means that your mobile number and email ID are not validated. To go ahead and validate them, follow the below instructions to verify your mobile number and email ID with OTP authentication:

Firstly, these are 5 KRA agency links that you can use to validate your details. Click any one to proceed. In our walkthrough, we have chosen CVL:

- CVL: https://validate.cvlindia.com/CVLKRAVerification\_V1/
- NDML: https://kra.ndml.in/ClientInitiatedKYC-webApp/#/ClientinitiatedKYC
- CAMS: https://camskra.com/PanDetailsUpdate.aspx
- Karvy: https://www.karvykra.com/KYC\_Validation/Default.aspx
- NSE: https://www.nsekra.com/

On clicking https://validate.cvlindia.com/CVLKRAVerification\_V1/, the following screen will show up: Step 1:
